

Jr. Statesmen Baseball

Community. Development. Respect. Hustle. Team.

Jr. Statesmen Baseball is a competitive baseball program designed to mentally and physically prepare 3rd thru 8th grade (9u-14u) players for Webster Groves High School (WGHS) baseball. Community-minded and community-grown, this program is open to any player living within or attending the Webster Groves School District that dreams of playing for their high school team. Who doesn't want to be a Statesmen?!?

Our Jr. Statesmen program is structured in two-levels: **Development Teams** (9u-11u) with <u>no</u> tryouts/no cuts; and **Club Teams** (12u-14u) selected from tryouts.

If you have a young baseball player that,

- Is between 6th and 8th grade or younger...
- Is looking for that next level of competitive play...
- Is ready for more intensive baseball skill development opportunities...
- Is excited to play Webster Groves High School Statesmen baseball...

We invite them to the

2019-2020 Club Team Tryouts

When (Your choice of 2 dates)

Saturday, July 13, 2019 from 10 am – 12 noon <u>OR</u> Sunday, July 28, 2019 from 2-4 pm

WHERE

Webster Groves High School, Plymouth Field 100 Selma Ave, Webster Groves, MO 63119

Program Mission - Our mission is to build a program that trains and develops players from an early age (3rd grade; 9u), so they are ready to play for the Statesmen in high school... and that they stay in the Webster school system, because we have the training and experiences they are seeking.

Program Goal – Our goal is to instill the fundamental aspects of the game along with promoting Statesmen baseball ideals, a strong work ethic, sportsmanship, and teamwork while celebrating each player's successes on and off the field.

Program Philosophy – As an informal extension of the high school baseball program, the Jr. Statesmen teams are guided by the advisement of **WG Head Coach DaRond Stovall Jr.** (former MLB player) utilizing the same principles, routines and philosophies as the Webster Groves High School baseball program.
